19<sup>th</sup> March 2013

To whom it may concern

Reference: Haskel Sales and Support Russian Federation

Dear Sirs

Haskel Europe Limited is the sister company of Haskel Incorporated LLC of Burbank, California. Haskel is the original manufacturer of Haskel<sup>®</sup> air driven liquid pumps, air amplifiers and gas boosters, and BuTech<sup>®</sup> high pressure valves, fittings and tubing.

Haskel Europe Limited is exclusively responsible for the marketing, sales and service of the above mentioned products, together with innovative Haskel<sup>®</sup> high pressure systems in Europe, Africa and the Eastern Europe countries including the Russian Federation.

For over 5 years, Haskel Europe Limited has been working closely with NPO Enerprom JSC, Moscow, 127422, 12 Kostyakova str., Russia, to grow and support the sales and service of Haskel products, within the Russian Federation.

We are happy to recommend NPO Enerprom JSC as an approved dealer of Haskel<sup>®</sup> products within the Russian Federation.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Paul Harrison".
